WHY SOCIAL PROTECTION AND RESILIENCE?

Critique of resilience as a kind of 'bootstrap' ideology

Focusing on social protection avoids this

BUT

Stigma can reduce resilience

PURPOSE OF SOCIAL PROTECTION

Questions that determine social protection schemes:

- What is being given to people?
- Who is it given to?
- What do they have to do in return?
- Where does it come from?
- What is the purpose of social protection?

ACTIVITY

What type of social protection would this person need?

How can social protection improve the people's resilience?

What barriers do these people face in accessing social protection?
