

Exploring neighbourhood change

Community investigations showcase & workshop
Tuesday 29th Nov
10:30am - 2pm
Calton Heritage and Learning Centre
#ActivateCommunities
lisa.garnham@gla.ac.uk

Four parts of the city

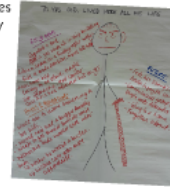

Archives and statistics

- Published literature
- Archived reports
- Statistics

Interviews and focus groups

- Residents
 - Community organisations and activists
 - Organisations and people with power & resource
- 35
- Creative group discussions
 - Assets/vulnerabilities
 - Community activity
 - Timelines
 - Characters
- 27

Peer research

Activate community development course

Living conditions

How can relationships be built between residents?
What regeneration has happened and what have been the effects?

Work and the economy

How does having or not having a job affect quality of life?

Social and community life

What is on offer and how do people find out about it?
How can access to what is already on offer be improved?

Power and influence

How can the balance of power be restored for homeless people?
Who holds power and how do we get access to them?

Tuesday 29th Nov
10:30am - 2pm
Calton Heritage and Learning Centre

The role of "community"

Good places to live

but

Challenges = similar across the city

Resources for coping & enjoyment that rely on:

- Local action
- Built environment
- Money

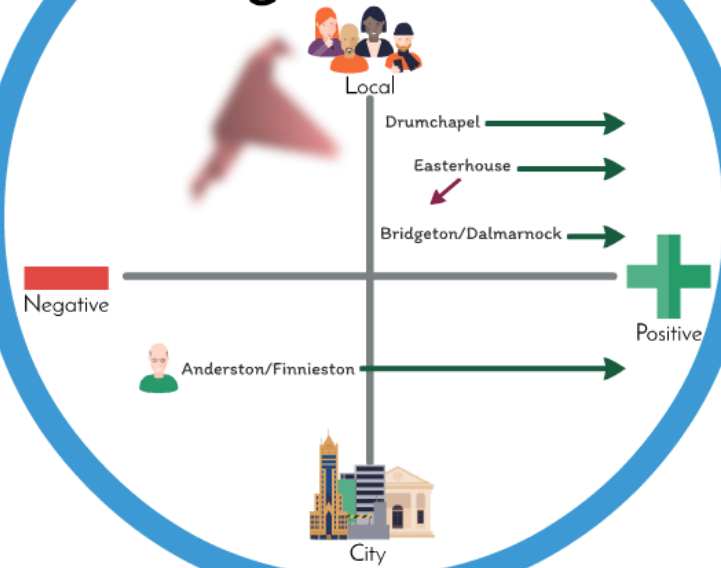

Power

Skills

Familiarity and social bonds that rely on:

- Stability of population
- Respect and kindness

Regeneration

The role of "community"
