

Welcome and introduction

Cam Donaldson

Vice Principal and Pro Vice Chancellor (Research)

Yunus Chair in Social Business & Health

Glasgow's Healthier Future Forum

6th March 2019

University for the Common Good

28 years

Fifth wave

- Complex systems
- From 'anti' to 'pro'
- Supporting lives more generally
- Lived experience
- Beyond standard conceptions (e.g. of growth)

How do we get to the 'causes of the causes'?

The big idea

- Money & debt as public health issues
- Financial intermediaries as 'alternative' institutions
- The non-obvious
- The place of such alternatives in the wider public health spectrum
